

VOLUNTEERS NEEDED. The Interfaith Welcome Coalition, an effort of the extended faith community, provides assistance to immigrants who have been released from the border or from nearby detention centers who travel through San Antonio's airport and bus station. IWC Volunteers assist with transportation arrangements, delivering snacks and meals from Haven for Hope, providing backpacks filled with toys and travel supplies, and arranging for temporary housing and rides as needed. There are both direct and indirect opportunities to provide support for these vulnerable families. To join in the effort, please go to the [Interfaith Welcome Coalition Website](https://interfaithwelcomecoalition.org), choose an opportunity and complete the application.
