Zoom

Attended by: Pam Spurgeon, Joni Mize, James Mize, Von Keairns and David Hayes.

The committee welcomes a new housekeeper, Angel Estrada, beginning in July on a 90-day provisional basis. The committee looks to more fully engage with its caretakers. We will review our inventory of cleaning supplies and adjust accordingly.

The Committee agreed to maintain a monthly mowing schedule until further notice.

The committee is seasoning the Ministry, Care and Guidance weapons sign suggestion.

We are seeking bids for door replacement and/or maintenance for Phase 1.

Because of current weather conditions, workdays are suspended until further notice.

The committee is scheduled to meet on July 18th to continue working on Memorial Garden Plans.

These projects await our attention:

- Fallen tree on fence
- Electrical update
- Courtyard refurbishment
- Parking lot resurfacing
- Sign repair
